Goddards Green and Sayers Common

26 Goddards Green
These proposals are as set out in the draft District Plan, by Mid Sussex District Council, and link to the Burgess Hill new ‘Northern Arc’ development. They include a new Business Park and an Outdoor Community Sports area. Gatehouse Lane would be kept separate from the new development.

The Parish Council’s support of the District Plan and Burgess Hill’s ‘Northern Arc’ plan depends on the Parish having a lower commitment to provide housing to meet District targets than would otherwise be the case.

27 Sayers Common
No new development until existing drainage issues are properly resolved. Possibly 30 to 40 new homes in the longer term.
12. What happens next?

We will consider all the responses, and those that we have received from the feedback earlier in 2012, and produce a draft Parish 2031 – Neighbourhood Plan which we expect to publish by the end of this year.

December 2012 - publish draft NEIGHBOURHOOD PLAN proposals
March 2013 - independent ‘verification’ of the PLAN
(May 2013 - Public referendum on the PLAN)
June 2013 - If supported by a majority of those voting in a referendum, the PLAN will become the legal planning document for our Parish.
